Education

2026 **B.S.S. (Hons)** in Economics (4 Years),
University of Chittagong (CU), Chattogram-4331, Bangladesh
Relevant Courses:
Microeconomic Theory I, Microeconomic Theory II, Macroeconomic Theory I, Macroeconomic Theory II, Mathematics for Economists, Statistics for Economists I, Statistics for Economists II, and Econometrics.

2020 **H.S.C** in Business Studies,
Chittagong University College, Chattogram- 4331, Bangladesh

2018 **S.S.C** in Business Studies,
Chittagong University Laboratory School and College, Chattogram- 4331, Bangladesh

Research Experience

Jan 2025 – July 2026
Child Development, Education, Early Marriage, and Corporal Punishment Research
Research Assistant
Worked under the supervision of Md. Johirul Islam, Senior Research Associate, BRAC Institute of Governance and Development (BIGD), BRAC University. Contributed to field data collection, data management, data cleaning, statistical analysis, and academic paper writing on children, education, and corporal punishment. Contributed to the paper: Islam, M. J., Iqra, A. N., & Hossain, M. R. (2026), "Unintended Spillovers: School Bans, Home Punishment, and Child Emotional Development." Participated in a research conference related to the study. Advisor: Md. Johirul Islam.

Feb 2026 – June 2026
Community-Based Research on Indigenous Livelihoods, Traditional Ecological Knowledge, and Climate Adaptation in the Chittagong Hill Tracts, Bangladesh
Research Experience
Conducted field-based research in the Chittagong Hill Tracts involving primary data collection, community engagement, and stakeholder discussions. Collected qualitative information on Indigenous knowledge systems, forest resource dependence, livelihood practices, and local adaptation strategies. Managed and analyzed field data to identify patterns related to environmental change, resource management, and community resilience.

Jan 2024 – Sep 2024
Graduate Labor Market Research Assistant
Research Assistant
Collected data from employed graduates and entrepreneurs through surveys and interviews, followed by data entry, cleaning, verification, and basic analysis.
Supervisor: Dr. Md. Alauddin Majumder, Professor, Economics, University of Chittagong
